

# Immunization Resources for Schools

Illinois Health  
Education Consortium/  
Chicago Metro AHEC

## Immunization School Outreach Program (ISOP)

*"I'm Protected...Are YOU?"*

*Get Vaccinated Today!*

ISOP staff will be happy to work with you to educate and vaccinate your students.

For more information, contact:  
Carla M. Green, MPH  
310 S. Peoria St., Suite 404  
Chicago, IL 60607  
P: 312-996-6463  
F: 312-996-0723  
Email: cgreen@ihec.org  
www.ihec.org

The Immunization School Outreach Program is supported by funding from the Chicago Department of Public Health Immunization Program.

## National Resources

### American Cancer Society

[www.cancer.org](http://www.cancer.org)

*The Chicago Regional Office has developed a toolkit for public and provider education entitled "Get the Facts...about the HPV vaccine for the prevention of cervical cancer."*

### American School Health Association

[www.ashaweb.org](http://www.ashaweb.org)

*This association has a comprehensive educational resource available for purchase entitled "Give It a Shot! Toolkit for Nurses and Other Immunization Champions Working with Secondary Schools."*

### Centers for Disease Control and Prevention

[www.cdc.gov/vaccines](http://www.cdc.gov/vaccines)

*The National Center for Immunization and Respiratory Diseases is the U.S. government authority on vaccines and Vaccine Preventable Diseases. A variety of training modules, videos, and print materials are available through their website. CDC's educational resources include: "ABCs of Childhood Vaccines (video)," "Pre-Teen Vaccine Campaign", and the Childhood and Adolescent Immunization Schedules.*

### Children's Hospital of Philadelphia

[www.vaccine.chop.edu](http://www.vaccine.chop.edu)

*CHOP's Vaccine Education Center provides vaccine educational materials for both parents and health professionals.*

### Immunization Action Coalition

[www.immunize.org](http://www.immunize.org)

*This website provides immunization educational information in a variety of languages, including Vaccine Information Sheets (VIS) and other copyright free handouts.*

### National Association of School Nurses

[www.nasn.org](http://www.nasn.org)

*NASN has a number of resources specifically geared toward school nurses. Their educational campaigns include: "Don't Get Sidelined by the Flu," "Get SMART About Meningitis: School Meningitis Awareness Tools," "Give Your Kids a Boost," and "Pertussis Tools for Schools."*

### National Foundation for Infectious Disease

[www.nfid.org](http://www.nfid.org)

*This foundation developed two educational campaigns to promote the Tdap and meningococcal vaccines: "Wipe Out the Whoop" and "STOP Meningitis"*

### National Meningitis Association

[www.nmaus.org](http://www.nmaus.org)

*This association is focused on increasing awareness about meningococcal disease and has developed a number of educational campaigns including: "Parent Teacher Awareness: Educating About Adolescent Meningitis Prevention" and "Getting It: A Disease...A Vaccine."*

## Local Resources

*These local agencies can connect you with immunization educational materials, events, trainings, speakers, and providers.*

### Chicago Area Immunization Campaign

[www.ilmaternal.org](http://www.ilmaternal.org)

### Chicago Department of Public Health
